POLITICAL SUBDIVISIONS - WEST VIRGINIA

City of Wheeling v. Public Service Commission of West Virginia

Supreme Court of Appeals of West Virginia - April 24, 2023 - S.E.2d - 2023 WL 3051738

City appealed from decision of Public Service Commission (PSC) which re-calculated rate for sewer treatment services sold by city to other city, and from decision of PSC, which denied city's petition for reconsideration and motion for stay.

On rehearing, the Supreme Court of Appeals held that 120-day dispute resolution period set forth in statute governing PSC's jurisdiction over certain political subdivisions providing separate or combined water or sewer services commenced on date request for investigation was filed with PSC pursuant to that statute.

The 120-day dispute resolution period set forth in the statute governing the Public Service Commission's (PSC) jurisdiction over certain political subdivisions providing separate or combined water or sewer services commences on the date a request for investigation is filed with the PSC pursuant to that statute.
