New York City, New York: Fitch New Issue Report

The 'AA' Issuer Default Rating (IDR) and GO bond ratings reflect New York City's exceptionally strong budget monitoring and controls, supporting our high assessment of operating performance. Federal stimulus aid has relieved fiscal pressure, which would have otherwise resulted from the city's lagged economic recovery, and supported structural budgetary balance. However, the record revenue performance and strong recovery from the pandemic, as well as improvement in reserve levels, will help management navigate through future economic downturns, including near-term challenges due to an expected deceleration of revenue growth, rising labor costs and other uncertainties associated with a high inflationary environment.
