

Bond Case Briefs

Municipal Finance Law Since 1971

Registration Opens for GFOA 2023 GAAP Update.

This year's GAAP Update, **November 2** with an encore presentation on **December 14**, will feature last-minute pointers on standards being implemented now, including Subscription-Based Information Technology, as well as important implementation information on GASB 100, *Accounting Changes and Error Corrections*, GASB 101, *Compensated Absences*, and the anticipated GASB 102, *Risks and Uncertainties Disclosures*.
