## **Join GFOA's Women's Public Finance Network.**

WPFN is a voluntary association of women, elected and appointed officials, and other women finance professionals, formed within GFOA to develop a core network of women GFOA members to coordinate communications and to encourage participation in GFOA and WPFN. The purpose of the network is to foster the careers of women in public finance through education, networking, and mentoring opportunities. Membership in WPFN is free.
