Municipal Finance Law Since 1971

[Texas Battles Wall Street Over Muni Market.](#)

A week before the annual conference of the Municipal Advisory Council of Texas, the state's embattled Republican attorney general had threatened to bar eight banks from municipal bond deals in Texas simply because of their commitment to cut greenhouse gas emissions. JPMorgan's Jamie Dimon said the fight puts Texas' business-friendly reputation at risk. Danielle Moran has more on "Bloomberg Markets: The Close."
