Financial Accounting Foundation Launches Redesigned Website for the Financial Accounting Standard Board; Additional Sites Premiere Soon

Norwalk, CT, January 23, 2024 — The Financial Accounting Foundation (FAF) today announced the launch of a completely redesigned website for the Financial Accounting Standards Board (FASB). Users can access the new FASB site immediately at www.fasb.org.

New websites for the Governmental Accounting Standards Board (GASB) and the Financial Accounting Foundation itself are scheduled to debut in the coming weeks. The new websites feature streamlined navigation, a simpler menu structure, more attractive and intuitive design, a more robust search algorithm, and more prominent placement of the most important information stakeholders are looking for.

“We are pleased to provide to FASB stakeholders the first of our three new websites,” said FAF Executive Director John W. Auchincloss. “We are confident that they will appreciate the many improvements we made and how much easier it is to access important information.”

Auchincloss gave credit for the success of the project to the cross-organizational team that worked throughout most of 2023 to create the new sites. The group included representatives from the FASB, the GASB, and the FAF’s Publishing, IT, Legal, Administration, and Communications teams.

“We know how much our stakeholders want to get the information they need from us as quickly as possible. We believe our redesigned websites will deliver a better, faster, and more intuitive experience to all our users,” Auchincloss said.
