Fitch Community Development Financial Institution Sector Monitor.

Fitch Ratings' second annual Community Development Financial Institution (CDFI) Sector Monitor summarizes the results of comparative financial information and ratios for a group of 40 CDFI loan funds (see the Participating CDFIs section for the full list). This report covers financial information for fiscal 2023 and the previous four fiscal years. The financial information included in this report was compiled based on Fitch's review of CDFI audited financial statements.
