Strengthening Municipal Cybersecurity: Nixon Peabody

A Little Privacy, Please!

Matthew Gerstenfeld of Munichain discusses municipal cybersecurity challenges and solutions on the latest episode of *A Little Privacy, Please!*®

Welcome to the final 2024 episode of *A Little Privacy, Please!* Today, we're delighted to have Matthew Gerstenfeld, co-founder and CEO of Munichain, who will share insights about his company's innovative product. Our Nixon Peabody Public Finance partner and occasional co-host, Rudy Salo, also joins us.

Thank you, Matt and Rudy, for joining us and discussing how to enhance the safety of municipal deals.

Matthew, tell us about Munichain, how the idea came about, and what the product does.

Munichain was created about seven or eight years ago when I worked in underwriting, sales, and trading. I realized there were many parties involved in public finance, such as advisors, bond attorneys, and banks, and most of the technology originated from the '90s. Many parties were unaccounted for, so Munichain was born as the connective tissue for the public finance market to hyper-connect folks who would otherwise rely on other means of communication.
