S&P Second Party Opinion: Massachusetts Housing Finance Agency (MassHousing) Impact Framework

MassHousing is an independent, quasi-public agency created in 1966 in the Commonwealth of Massachusetts. The agency provides affordable mortgage loans and other assistance for low and moderate-income homebuyers, and financing to build and preserve affordable and mixed income rental housing. Since its inception, MassHousing has provided more than \$29 billion in financing for affordable housing, including financing single-family loans, down payment assistance loans, and multifamily loans. These activities further its mission to confront the housing challenges facing the commonwealth and improve the lives of its citizens. In addition, MassHousing operates the Massachusetts Community Climate Bank, the nation's first green bank dedicated to affordable housing, created in 2023.
