## **Forbes: Everything You Need To Know About Muni Bonds Right Now**

The economy is slowing. And if you believe that these tariff-tapping brakes are going to land us in a recession, these muni bonds (with tax-equivalent yields up to 12.4%) are for you.

This is the time to recession-proof our retirement holdings. The new administration appears to want to get a slowdown “out of the way” early. Atlanta’s GDPNow forecast says the economy is already shrinking:
