Federal Budget Legislation Update and Impact to Local Governments: NLC Webinar

Jun 3rd, 2025 | 4:00 PM - 5:00 PM

The White House and the Congressional Majority have used the first 100 days of the New Administration to advance the Trump/Vance agenda on federal spending. Four major proposals aimed at federal tax policies and spending programs could result in significant changes to the federal-local partnership and other shared responsibilities that currently exist between federal, state, and local governments. Join NLC's Federal Advocacy team as they discuss how local governments should navigate the federal landscape and how to mobilize on the top local priorities that are at stake.
