Avoiding the Potential Pitfalls in Bond Deals: CDFA // BNY Development Finance Webcast Series

October 21, 2025 | 2:00 PM – 3:00 PM Eastern

Session Focus: While bonds are often considered safer investments, they are not without risks. Panelists will share what you need to know to avoid a bond deal falling through due to a variety of reasons, ranging from issuer defaults and economic downturns to changes in interest rates, inflation, and political instability.

Key Takeaways: Understanding why bond deals might fail is essential to leveraging these tools effectively. Attendees will learn about the various risks associated with bond financing and how to mitigate these from the offset.
