## [Muni Funds Lure Near-Record Cash as Reinvestment Season Nears.](#)

### **Takeaways by Bloomberg AI**

- Investors are pouring money back into municipal bonds as higher yields and the approaching summer reinvestment season draw cash into the tax-exempt market.
- Municipal-bond funds attracted about \$2.3 billion in the week ended May 27, nearly double the prior week's tally and the second-largest weekly inflow since 1992.
- JPMorgan strategists said total inflows for May could exceed \$10 billion.
