Reminder: GFOA 2026 GAAP Update.

GFOA's Annual Governmental GAAP Update is the must-attend online event for public sector accountants and auditors.

Stay ahead of the latest governmental accounting developments with practical guidance on implementing new GASB standards and navigating emerging reporting challenges.

Whether you are preparing for year-end reporting, updating your ACFR, or planning for upcoming standards, this session delivers timely insights and actionable takeaways you can apply immediately. Don't miss two opportunities to participate in 2026.

November 5 | 1:00 PM - 5:00 PM (Eastern) | 4 CPE Credits

December 11 (encore) | 1:00 PM - 5:00 PM (Eastern) | 4 CPE Credits

As in past year, this year's broadcast will use GFOA's online Learning Management System (LMS). Participate in interactive exercises to test your knowledge of the material being presented. Receive immediate feedback to your questions during the program from GFOA's Technical Services Center staff. Earn four CPE credits with your participation.

Register by November 13 to receive early pricing for the December 11 encore.
